U.S. GOVERNMENT & CIVICS

U.S. Government & Civics

36 weeks • 4 modules • 70% mastery

Curriculum Architecture

This course is organized as 36 weeks across four 9-week modules. Every week follows LucidPrep's established secondary learning cycle: AI Instructor opening, objectives, vocabulary, five warm-ups, main lecture, two short tutorial videos, AI Instructor presentation, two homework sets, and a 40-question assessment.

Mastery standard: 70%+. Students below mastery review the instructional presentation and may retake the assessment, matching the existing LucidPrep secondary model.

U.S. Alignment Note

United States Government & Civics is a common upper-grade social studies requirement, often a semester paired with Economics; this is a full-year treatment. Placement varies — many states teach it in Grade 12 and full-year U.S. History in Grade 11. This syllabus pairs the C3 Framework with Common Core literacy standards for history/social studies.

Assessment & Alignment

Assessment Blueprint

Warm-ups: weekly • Homework: weekly • Weekly assessment: 40 questions • Module assessments: Weeks 9 / 18 / 27 • Final: Week 36 • Below 70%: instructional review and retake.

Standards Alignment

Primary framework	C3 Framework (Civics emphasis); CCSS literacy RH.11-12 & WHST.11-12
Social Studies Practices	Developing questions and planning inquiries; applying disciplinary concepts and tools; evaluating sources and using evidence; communicating conclusions and taking informed action.
Recurring Concepts	Chronological and spatial reasoning; causation and change; multiple perspectives; evidence and interpretation; civic and economic reasoning.
State mapping	No single national social studies standard; the C3 Framework guides most state standards, and grade placement of specific courses varies widely by state.

Content Production Guidance

Author each week around primary sources and an inquiry question: 5 warm-ups, a lecture with sources and context, 2 videos, an AI presentation with maps/documents, 2 homework sets, and a 40-question bank blending content, source analysis and reasoning. Tag items to C3 and literacy standards.

Curriculum Basis & Source Notes

This Grade 11 social studies syllabus was generated from the C3 Framework and the Common Core literacy standards for history/social studies. It reflects United States Government & Civics.

Primary reference	C3 Framework for Social Studies State Standards (NCSS) — Dimensions 1-4, Civics emphasis.
Literacy standards	Common Core literacy standards for history/social studies (RH and WHST, grades 11-12).
Foundational documents	U.S. Constitution, Bill of Rights, Federalist Papers and landmark Supreme Court cases.
LucidPrep alignment	Mapped to LucidPrep's 36-week, 4-module structure with 70% mastery.

Recommended next production step. Select the primary-source set and inquiry questions per module, then commission item banks blending content, source analysis and reasoning, tagged to C3 and literacy standards.
