Grade 11 World Language

U.S. Standards-Aligned Course Syllabus

WORLD LANGUAGE III

World Language III

36 weeks • 4 modules • 70% mastery

Curriculum Architecture

This course is organized as 36 weeks across four 9-week modules. Every week follows LucidPrep's established secondary learning cycle: AI Instructor opening, objectives, vocabulary, five warm-ups, main lecture, two short tutorial videos, AI Instructor presentation, two homework sets, and a 40-question assessment.

Mastery standard: 70%+. Students below mastery review the instructional presentation and may retake the assessment, matching the existing LucidPrep secondary model.

U.S. Alignment Note

A third year of world language strengthens college applications and is required for some diploma tracks. This language-agnostic template targets Intermediate-Low to Intermediate-Mid proficiency and aligns to the ACTFL World-Readiness Standards. The level a Grade 11 student takes depends on when they began the language.

Assessment Philosophy

Assessment is continuous and mastery-based. Each week pairs low-stakes practice (five warm-ups and two homework sets) with a 40-question weekly assessment. Students scoring below 70% review the instructional presentation and retake, so mastery is reached before progressing. Module assessments at Weeks 9, 18 and 27 and a cumulative final at Week 36 measure retention and synthesis.
