

LUCIDPREP

Grade 12 Economics & Personal Finance

U.S. Standards-Aligned Course Syllabus

ECONOMICS & PERSONAL FINANCE

Economics + Personal Finance

36 weeks • 4 modules • 70% mastery

Curriculum Architecture

This course is organized as 36 weeks across four 9-week modules. Every week follows LucidPrep's established secondary learning cycle: AI Instructor opening, objectives, vocabulary, five warm-ups, main lecture, two short tutorial videos, AI Instructor presentation, two homework sets, and a 40-question assessment.

Mastery standard: 70%+. Students below mastery review the instructional presentation and may retake the assessment, matching the existing LucidPrep secondary model.

U.S. Alignment Note

Economics is a common Grade 12 requirement, frequently paired with a growing standalone Personal Finance mandate; this course combines both, with a full module of personal finance. Placement and the split between Economics and Personal Finance vary by state. This syllabus pairs the C3 Framework with Common Core literacy standards, plus national personal-finance standards.

Common Instructional & Assessment Model

Weekly Learning Cycle

Step	Component	Description
1	Opening / Domain Overview	~2-minute AI Instructor introduction
2	Objectives + Vocabulary	Student-facing outcomes and core terminology
3	Warm-Up	5 questions with explanations
4	Main Lecture	Concept instruction, models and examples
5	Video Tutorials	2 short instructional videos
6	AI Instructor Presentation	Visual models, examples, strategies and applications
7	Homework	Two sets of 5 questions
8	Weekly Assessment	40 questions; 70% mastery
9	Review / Retake	Below mastery → review presentation → retake

Assessment Philosophy

Assessment is continuous and mastery-based. Each week pairs low-stakes practice (five warm-ups and two homework sets) with a 40-question weekly assessment. Students scoring below 70% review the instructional presentation and retake, so mastery is reached before progressing. Module assessments at Weeks 9, 18 and 27 and a cumulative final at Week 36 measure retention and synthesis.

ECONOMICS & PERSONAL FINANCE

Grade 12 Economics with Personal Finance aligned to the C3 Framework, Common Core literacy standards, and personal-finance standards

Assessment & Alignment

Assessment Blueprint

Warm-ups: weekly • Homework: weekly • Weekly assessment: 40 questions • Module assessments: Weeks 9 / 18 / 27 • Final: Week 36 • Below 70%: instructional review and retake.

Standards Alignment

Primary framework	C3 Framework (Economics emphasis); CCSS literacy RH.11-12 & WHST.11-12; personal-finance standards
Social Studies Practices	Developing questions and planning inquiries; applying disciplinary concepts and tools; evaluating sources and using evidence; communicating conclusions and taking informed action.
Recurring Concepts	Chronological and spatial reasoning; causation and change; multiple perspectives; evidence and interpretation; civic and economic reasoning.
State mapping	No single national social studies standard; the C3 Framework guides most state standards, and grade placement of specific courses varies widely by state.

Content Production Guidance

Author each week around primary sources and an inquiry question: 5 warm-ups, a lecture with sources and context, 2 videos, an AI presentation with maps/documents, 2 homework sets, and a 40-question bank blending content, source analysis and reasoning. Tag items to C3 and literacy standards.

Curriculum Basis & Source Notes

This Grade 12 social studies syllabus was generated from the C3 Framework, the Common Core literacy standards for history/social studies, and national personal-finance standards. It reflects a combined Economics and Personal Finance course.

Primary reference	C3 Framework for Social Studies State Standards (NCSS) — Dimensions 1–4, Economics emphasis.
Personal finance	National Standards for Personal Financial Education (Council for Economic Education / Jump\$tart Coalition).
Literacy standards	Common Core literacy standards for history/social studies (RH and WHST, grades 11–12).
LucidPrep alignment	Mapped to LucidPrep's 36-week, 4-module structure with 70% mastery.

Recommended next production step. Select the primary-source set and inquiry questions per module, then commission item banks blending content, source analysis and reasoning, tagged to C3 and literacy standards.
