Assessment Philosophy

Assessment is continuous and mastery-based. Each week pairs low-stakes practice (five warm-ups and two homework sets) with a 40-question weekly assessment. Students scoring below 70% review the instructional presentation and retake, so mastery is reached before progressing. Module assessments at Weeks 9, 18 and 27 and a cumulative final at Week 36 measure retention and synthesis.

Assessment & Alignment

Assessment Blueprint

Warm-ups: weekly • Homework: weekly • Weekly assessment: 40 questions • Module assessments: Weeks 9 / 18 / 27 • Final: Week 36 • Below 70%: instructional review and retake.

Standards Alignment

Primary framework	ACTFL World-Readiness Standards; Intermediate-Mid – Intermediate-High proficiency
World-Readiness (the 5 C's)	Communication (interpretive, interpersonal, presentational); Cultures; Connections; Comparisons; Communities.
Proficiency Targets	Novice-High to Intermediate-Low proficiency across the three modes of communication.
State mapping	Required in some states and recommended in most; typically required for college admission. The ACTFL World-Readiness Standards guide state frameworks; a Grade 10 student's level depends on when they began the language.

Content Production Guidance

Author each week around a communicative theme: 5 warm-ups (vocabulary/structures), a lecture, 2 videos with authentic input, an AI presentation modeling interpersonal and presentational tasks, 2 homework sets, and a 40-question assessment across the three modes. Pair with speaking/writing performance tasks. Tag items to ACTFL standards and proficiency targets.
